Note 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

Note 2.—An enlistment holds to service. A muster-in runs, in all cases, proofs to payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of muster, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

ADJUTANT GENERAL'S OFFICE,

Frankfort, January 23 1863.

Maj Gen G. Granger
Commanding &c
Lexington

General: The bearer Geatsby M Barnes, a member of the 21st Ky. Infantry, was taken prisoner and paroled on September last near the place. He has made several ineffectual efforts to get to Camp Chase for exchange, by way of Louisville but failed, because as he says he had never been mustered into the Service of the U.S. And Gen Boyle would not forward him for that reason. I find however that his name is on the U.S. Muster in rolls and the young man wants to do his duty. And I beg that you will have him sent in the right way

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ½ ¼, &c., &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1250 Regulations, Edit 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is. The surgeon will then fill out and sign the accompanying blanks, and forward these papers to the regimental, detachment, or other commander, who will forward them with his action thereon, through the proper channel, to his division commander, or if the troops are detached to a division, to his corps, or independent, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will fill the discharge and, by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper. He will then be furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C., they will not, under any circumstances, be given into the hands of the soldier.

Captain

In response to your first endorsement on enclosed document I have the honor to submit the following explanation:

On receipt of the enclosed papers with your first endorsement I sent to Captain Tillotson, Commanding 1st Pontoniers, for the information asked for. His reply was that Private Henry Pettengill to his Battalion had run. Then "I must withdraw charge." I returned the papers with an endorsement to that effect. Some of the men have reported to me with the statement that he had not been absent from Camp; but that when the engineers were made, one of the men of the same name (Pettengill) had been temporarily absent) Last men originally taken for him. It now appears that the error of your endorsement had at this time been communicated by my clerks with the endorsements on

at the official papers a Summons
represented to me as having been an Order
from Gen Ord's Head Quarters — issued at a request
from impressment as to whether he was in
the Camp. He was informed that I was
absent duty & directed a written detail made
accordingly & directed a written detail made
out, which was given to Private Bowers, directing
him to report immediately to Captain
Lain for duty. I have the honor to be, Captain,
Very Respectfully
Your Obedient Servant,

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1210 Regulations, Edit 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment or post commander, who will forward them, with the action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental post or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate and forward both of these certificates direct to the Adjutant General United States Army, at Washington D C; they will not, under any circumstances, be given into the hands of the soldier.

Note 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

Note 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease, the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1210 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced, and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sent. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander, or if the troops are not attached to a division, to the corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post or detachment commander who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge and the final certificate on this paper, see that the soldier is furnished with the proper final statements in duplicate and forward both of these certificates direct to the Adjutant General United States Army at Washington D. Note 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

Note 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment, commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates *direct* to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Dec VOLUNTEERS. Aug 15/63

Enlisted on 63 Aug 4

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him, or in his favor, so as to compose a complete register of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

Sir

I have the honor to report
that a party of Indians under
the Chief Satanta with about
fifty lodges, Broke up
in the vicinity of Victoria.
Commencing their work

on the 21st May

[illegible]

Head Quarters Post Victoria
Victoria Texas May 24th 1866

Capt. Geo. R. Sherman,
A. A. A. G.
Captain

I would respectfully submit the following report of an affair which happened at this Post yesterday the 23d inst. A citizen named Brey. Kill shot and killed instantly a man named John Black. a discharged soldier (who served over four years in the 2 Regt Nty Infty) without any cause or provocation. I was standing from dinner some ten or about ten paces of the saloon where the act was committed when the shot was fired. I immediately arrested Kill and took him before the civil authorities who put him in jail. A coroners inquest was held over the body of Black but the only witness (a negro) who saw the affair was not allowed to testify. Whom is several of Blacks comrads him who were marching out with him to remain south. They are peculiar to the troops than existing under civil laws. Brey Black states the fact that the only evidence

against Hill had been excluded before the coroners
jury and that he never would be convicted. The
soldiers began to gather on the streets and threaten to
take Hill from the jail and hang him. I remained
on the streets and tried to disperse the crowds until
towards 3 O'Clock P.M. when I went to my office. The
sheriff came to me and stated that he believed it to
was the intention of the soldiers to carry out their
threats. I told him I would do all I could but
that I had only about 175 county fire men against
over four hundred and part of them armed with
carbines and revolvers and that it was useless to
resist them, & then notified Gen Houghton Comdg
3d Mich and Col Byrne Comdg 18th U.S. Inf. of the
their men threatened to take a prisoner from the
jail and hang him. That I could not resist so
large a force and should hold them responsible
for the conduct of their men. At this time it was
mostly men of the 3d Mich who were in town. Gen
Houghton ordered them to camp and before 5
P.M. all was quiet. I had doubled the guard
at the jail and kept my men in camp under
arms. Both Regts were reported perfect at roll

and all quiet. The 3d Mich being encamped across the Bridge and the 18th N.Y. a mile up the River on the east bank it was not thought they could act in concert but at 8 P.M. both Hall and Mead went to a man a few yards back of the jail and over the brow of the bank and rushed upon the jail about four hundred strong knocked down the guard broke open the jail and killed Hall and hung him before any alarm could be given. I reached the jail in about three minutes time after the first cheer only to see a about twenty soldiers hanging who had lingered a little behind and to find Hall hanging to the staircase in front of the jail. There was no disposition manifested except to execute justice upon the man who had shot a discharged soldier and the men were all in their camps at tattoo. The reports were circulated among the soldiers that Hall had killed four men previous to this and nothing had ever been done with him for it. That he was one of a number who took a prisoner from jail here in Mch and after throwing him from the upper window dragged him about 3/4 of a mile and hung him.

This latter report I believe to be true from the best information I can obtain. It is reported that the citizens held a secret meeting and sworn to avenge the death of Hill. and the President of the Union League called upon me this A.M. and stated that the Loyal people had understood the troops were to be withdrawn entirely as soon as these two Companies were mustered out and that many had been threatened in case it was done with their lives. I have in all present for duty 85 men. I do not consider this a sufficient force since what has occurred to keep the peace and protect well disposed citizens. I would therefore request that another Company might be sent here for duty. If a Co. of Infantry can not be sent. that at least twenty Cavalry might be detailed for duty at this Post for a time at least, sufficient to have the community become quiet again.

Very Respectfully.
Your Obt Servt

Sir:

In reply to your letter requesting a Descriptive List of [illegible] Company [illegible] Regiment [illegible] I have the honor to furnish the following Descriptive List obtained from the records of this Office which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

ACCOUNT OF PAY

~~He is entered on the Pay Roll of his Company for the months of~~ [illegible] that he was last paid by Paymaster [illegible] to the [illegible] day of [illegible] 186[illegible]

[illegible]

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

[illegible]

Very respectfully,

Your obedient servant,

[illegible]

Assistant Adjutant General.

To Capt [illegible]

[illegible]

[illegible]

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander, and having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor up to the period to which he is reported on the muster roll upon which the company commander last settled with the soldier, who will enter all the necessary data to complete the record of the soldier's account on the muster roll upon which the company commander last settled with the soldier. The object of this is that the remaining portion of the soldier's account may be settled before a discharge is granted. This list will then be cancelled. The object of this is that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be accounted for, and paid to their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the Colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report in detail, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ——— 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier have no effects, the fact will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after the decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In no other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him, one copy should be sent direct to the Adjutant General and one returned by the officer.

NOTE 10.—If any soldier is charged a higher fee than that allowed by the above act, he should report the fact and the name of the agent to the Adjutant General, in order that steps may be taken to have the same refunded.

FINAL STATEMENT

OF

Henry C. M. Boatman

2 1/4 Reg't of Cavalry

VOLUNTEERS.

Paid $1

Paid while a prisoner

NOTE 1.—*Two of* these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. Final statements are never given to men mustered out of service, that he may at once receive from the Paymaster the pay due him, and the captain or other COMMISSIONED officer commanding the company will certify to the fact of the delivery of the duplicate certificate with these certificates the Soldier is "entitled to" his *discharge*, and must also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse the Company Commander will certify to that fact on the back of the duplicate final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements [illegible] he should be taken up by the officer who [illegible] these statements, and indorsed with a statement to that effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on the final statements, the clothing account, and all other charges against him or to his favor, so as to complete a complete [illegible] of his accounts. It will then be transmitted to the Company Commander of the Soldier who will enter all the data necessary for the understanding of the Soldier's account on the muster-out roll on which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of these duplicate rolls and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments and other miscellaneous charges, should appear under the bearing of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion &c., is reported as well as on the final statement, otherwise the amount cannot be recovered from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, the descriptive list if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute the space for time &c., of enlistment, should contain only the time [illegible] he became such. If the Soldier is a veteran, the payment [illegible] as a veteran or recruit as the case may be, should be entered after the words mustered into service of the U. S. A statement of all the installments of Bounty or Bounty Loans RECEIVED by the Soldier must be made on the back of each final statement.

I have more than once heard Lieut Bohannon speak of his troubles at home and express a desire to be there that he might attend personally to matters as only she could arrange - He has been a most faithful Officer and Soldier - Gallant & brave always ready for any emergency - knowing no fatigue to be a cripple and has rather unable to attend to business I would earnestly request that his resignation be accepted

General

I have the honor to hand in tender my resignation as 2nd Lieut 21st Ky Vol Inft for the following reasons My father Lemuel is a very aged man, and he having met with a sad misfortune (the loss of his right arm) cannot provide for the wants of his family. He and father have not enough to keep my father has been in very poor health for more than a year and is now unable to render him any assistance. I would also state that since I entered the service some person has written me, which in consequence of my absence will suffer considerably, to have some one to attend to it. For these reasons I believe it my duty to resign my commission & tender my resignation — & most earnestly request my application be granted

FINAL STATEMENT

OF

Private Robert Brannon

Co. H 21 Regt of Ky 3rd Infantry

VOLUNTEERS.

Died July 29, 64

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a final statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ½, ⅓, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharge by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge, and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the original certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them with his indorsement thereon, through the proper channel to the [illegible] commander, or, if the troops are not attached to a division, to the [illegible] department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post or detachment commander, who will, if the discharge is approved by the indorsement of the proper authority, cause the soldier's descriptive and the last certificate on the proper roll; see that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates *direct* to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Captain,

I have the honor to request that the following named men be entered present for duty, from absence on "sick leave" as I am fully convinced that their protracted absence was wholly unintentional, having been detained in the Barracks at Nashville Tenn.

Private Joseph H. Smith absent from duty on "sick leave" from Feb 2nd/65
" John W. Sick " " " " " Jan 12th/65

I am Very Respectfully
Your Obt Servt
(Signed) John W. Sick
Capt. Co "E" 21st Ky. V.V.I.

The above named Enlisted men were reported on the returns as "Absent without leave". Joseph Smith was not dropped as a deserter, because I was fully convinced that, he was detained in Barracks No 1 Nashville Tenn, therefore he was borne as above stated on two (2) monthly returns viz. Dec 64 & Jany/65. (over)

John M. Lash was detained in Barracks at Nash=
=ville Tenn. of this I am certain as I received a letter
from him during his absence.

These men left camp and went to Nashville
Tenn. Dec 14th 1864 without proper authority and
were arrested and placed in the Barracks as above
stated

I am very Respectfully

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTES.

1. The amount of any extra pay for which a soldier may be mustered, *e. g.*, as *Acting Hospital Steward, as teamster, &c.*, and which may be *still due him*, must be carefully noted.

2. In the column headed "BOUNTY PAID," must be entered the *whole* amount Bounty paid him in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

3. Stoppages for loss or damage done to arms, or other *public property*, must be noted and the *articles*, and *particular damage* in each, specified. When stoppages are due, under sentence of a Court Martial, *a transcript of the same must be entered here*; and the amount *already stopped*, noted be carefully stated.

4. In every case "*desertion*, the *date*, and that of *delivery*, or *apprehension*, must be given, together with a correct transcript of the order of restoration or pardon.

5. *A careful statement of the man's* CLOTHING ACCOUNT must be made, to *date*, and the amount DUE TO, or FROM the man must be precisely stated.

6. Should the name have been changed by authority, it must be mentioned, together with date and place. *A full and particular mention* will be made of any wounds he may have received in action, or other injury, whilst in the *line of his duty*.

[A. G. O. No. 93.]

7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on the list, and also to the time he has pay due for having been so mustered in his own name.

8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete examined his account. It will then be transmitted to the company commander of the soldier, who will enter on the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is required. The descriptive list will then be destroyed. The object of this is that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the naval rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*, and under the heading "When Mustered In" will be given the date when the soldier was drafted, under "Where Mustered in" will be given the place from which drafted, under the heading "By whom Mustered in" will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus, *4th D. Mass.*; (meaning 4th Enrollment District, State of Massachusetts.)

11. A separate descriptive list should, as a general rule, be given for each man.

12. Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men acting as such.

I CERTIFY *that the above is a correct transcript from the Records of* the Company Books

FINAL STATEMENT

OF

Pvt Enoch G Brewer Co

21st Regt of Ky Infantry

VOLUNTEERS. 201

Died June 28/64

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account and other charges against him or in his favor, so as to comprise a complete statement of his account. It will then be transmitted to the Company Commissioner of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Second Auditor may pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Allowances due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should before they have accounted to their representatives for the same have occasion to settle the account of the regiment or company, it will be the duty of his immediate commanding officer to direct the proper officer to make up the account of the said effects, and charge the same to him in the regimental inventory, and, at the same time to furnish to the commanding officer of the company to which the deceased belonged a particular account, specifying the date, place and cause of his death, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be attested, "In the absence of the officers of ——— ———, late of company ——— ——— regiment of ———, who died at ———, the ——— day of ——— ———." In case the representatives receive the effects, it will be noted in the report. If the effects have not been received, the fact will be reported.

PAR. 1548. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by the General of Administration, under the direction of the commanding officer of the post and regiment, in conformity with the Paymaster, to the credit of the United States, which duty shall be deemed by the usual representatives of the deceased.

PAR. 1549. In all those cases of sales by the Orders of Administration a statement in duplicate, or account of the proceeds, duly attested by the Commanding officer, accompanied by the [illegible] receipt for the proceeds, will be forwarded by the earliest mail opportunity to the Adjutant General. This statement will be entitled "Report of the proceeds of the effects of ——— ———, late of company ——— ——— regiment of ———, who died at ———, the ——— day of ———, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative without further authority from the Adjutant General. When the effects are turned over to the commander of the deceased before these instructions are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all cases, one copy will be sent with a letter of transmission direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymasters for any funds turned over to him, one copy should be sent direct to the Adjutant General and one retained by the officer.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1230 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feined or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable case* for *pension, special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment, or post commander, who will forward them, with his own endorsement thereon, through the proper channel to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

[Extract.]

1. On Surgeon's Certificate, Approved by Medical Director. Leave of Absence is hereby granted the following named officers, for the number of days set opposite their respective names:

1st Lt. L. D. Conner 2nd U.S. Inf. Twenty

The following extracts from Regulations and General Orders, relative to Leaves of Absence, will be strictly observed:

"When not otherwise specified, leaves of absence will commence the day an officer is relieved from duty at his post, after receiving the order granting him leave.

"At the expiration of his leave, the officer must report in person with his command, and not at the office from which his leave issued.

"No officer is permitted to visit Washington without special permission from the Secretary of War, which must be stated in the order granting leave of absence.

"If an officer be not able to travel at the expiration of his sick leave, he must report his address to the commander of his post, regiment or corps, and also to the Adjutant General of the Army; and in his first report state the day when his leave of absence commenced. These reports must be repeated every twenty days, and each one must be accompanied by the *certificate of a medical officer of the army*, made in the usual form and stating that the officer is not able to travel. If there is no army physician in the place where the officer resides, the certificate of a citizen physician, the truth of which must *be sworn to before a civil magistrate*, may be substituted. *Extensions of leave are not granted in orders.*

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease, the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to the division commander, or, if the troops are not attached to a division, to the corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C., they will not under any circumstances be given into the hands of the soldier.

REMARKS.

Detached Duty 4th Pos 1st Div 4th A.C. Descriptive List furnished and receipt received

NOTES.

1. The amount of any extra pay for which the soldier may be mustered, as Sergt, as *Acting Hospital Steward*, as *Saddler*, &c., and which may be *still due* him, must be carefully noted.
2. In the columns headed "BOUNTY PAID," must be entered the whole amount of BOUNTY *he has actually received*, and in that of "BOUNTY DUE," the whole amount *yet due him*. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for *loss or damage* done to arms, or other public property, must be noted, and the articles, and particular *damage* in each, specified. When stoppages are due, under sentence of a Court Martial, a *transcript of the same* must be entered here; and the amount already stopped, must be carefully stated.
4. In every case of *desertion*, the date, and that of *delivery*, or apprehension, must be given, together with a correct transcript of the order of *sentence* or *pardon*.
5. A *careful settlement of the man's* CLOTHING ACCOUNT must be made, *to date*, and the amount DUE TO, or FROM him must be precisely stated.
6. Should the man have been engaged in any action or skirmish, it must be mentioned, together with *date* and *place*. *A full and particular account* will be made of any wounds he may have received in action, or other injury, whilst in the *line of his duty*.
7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to complete a complete system of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Dep't.
9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the muster rolls for Volunteers. Their pay commences on the day they report for duty under their summons from the Provost Marshal, which date should be noted on the first Muster Roll, under the heading of "Remarks." On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled,—Commencement of First Payment by Them," will be written the word *drafted*, or *substitute*, as the case may be; and under the heading "When Mustered in" will be given the date when the soldier was drafted, or, if a substitute, when enlisted (substitutes, under the Enrollment Act, are mustered in by enlistment); under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted,) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 6th D. Mass.; (meaning 6th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men acting as such.

[A. G. O. No. 93.]

The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his vouchers the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of the descriptive list, stating the time he has pay due for such horse, based on the period of his enlistment.

NOTE 3.—When a Soldier is furnished with final statements his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements and appended to such statements in the manner directed. The descriptive list should contain a full description of the Soldier, for instance, the Soldier was allowed pay on the final statements for clothing account, and all other charges against him on the Rolls, to enable a comparison of the descriptive list with the account. It can then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll of the Co., which the Soldier is entitled to. The descriptive list will then be cancelled. The object of this is to show the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls and the Soldier receive any pay or allowance that may be due him at the time of his discharge, which may not appear on his final statements from the fact that the account is not complete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if in his case, should be forwarded with the final statements, as directed, to the Assistant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of previous service must be filled up, and the word "drafted" or "substitute," as the case may be, written across the face of the roll. The words "as a veteran" or "recruit," as the case may be, should be inserted after the words "mustered into the service of the U. S." A statement of all the enlistments of veterans or recruits, if any, should be given by the Soldier and made on the back of each final statement.

NOTES.

1. The amount of any extra pay for which the soldier may be mustered, as, *e. g.*, as *Acting Hospital Steward*, as *Saddler, &c.*, and which may be *still due* him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the whole amount hitherto paid him; in that of "BOUNTY DUE," the same amount *yet due* him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for *loss or damage* done to *arms*, or other *public property*, must be noted, and the *articles*, and *particular damage* to each specified. When stoppages are due, under sentence of a Court Martial, a *transcript of the same* must be entered here; and the amount *already stopped* must be *carefully* stated.
4. In every case of *desertion*, the *date*, and that of *delivery*, or *apprehension*, must be given, together with a correct transcript of the order of *clemency* or *pardon*.
5. *A careful settlement of the man's* CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be *punctually noted*.
6. Should the man have been engaged in any *action* or *affray*, it must be mentioned, together with *date* and *place*. A *full and particular mention* will be made of any *wounds* he may have received in *action*, or other *injury*, whilst in the *line of his duty*.

[A. G. O. No. 93.]

7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing accounts, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster rolls upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him, at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.
9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled—Commencement of Four Payment by Time," will be written the word *drafted*; and under the heading "When Mustered in," will be given the date when the soldier was drafted, under "Where Mustered in," will be given the place from which drafted, under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: *6th D. Mass.*; (meaning 6th Enrollment District, State of Massachusetts.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive Rolls must, in all cases, be signed by COMMISSIONED officers, not by enlisted men *acting* as such.

REMARKS.

[illegible]

Very respectfully,

Your obedient servant,

[signature]

Assistant Adjutant General.

(7)

To [illegible]

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander, and, having been signed by the proper officer to accompany the soldier's final statements, should be endorsed with a statement to that effect by such officer. This endorsement should contain a full statement of the time for which the soldier was allowed pay on his final statements, the clothing overcoat, and all other charges against him or in his favor so as to compose a complete exhibit of his account. It will then be transmitted to the soldier's discharge is reported. This list will then be destroyed. The object of this is that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

Sir

I have the honor to state that on the 18th day of April 1863 I tendered my resignation based upon the reasons of the sudden death of my father, and absence of my duty to be at home in order to settle the business of his state. having received a letter to the effect that a leave of absence for twenty days will suffice. I would respectfully ask permission to withdraw my resignation. and instead ask that I be granted a leave of absence for twenty days.

applied to me for a certificate of disabil-
ity, on which to ground an application
for an extension of his leave:

I do hereby certify that I have
carefully examined this officer and find
him suffering from a gunshot wound
of the middle of the left femur, received
in action at the battle of Kenesaw Moun-

NOTE 1.—This blank will be used for both enlistments and re-enlistments of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the departing officer.

FINAL STATEMENT

OF

Pvt. John T. Curtis

2d Regt of Kentucky

VOLUNTEERS.

Virginia 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay &c. due him, and the captain or other commissioned officer commanding the company will certify on the back of the duplicate certificates, on these certificates the Soldier is entitled to his discharge, and also of also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge bears date, &c., is reported, as well as on the final statement, otherwise the account cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

The officer above must should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account and other charges against him or in his favor, so as to compose a complete statement of his account. These accounts for back pay &c. are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other Government charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll, on which the discharge, death desertion, &c. is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ARTICLES OF WAR.

ART. 35. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of his troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer of the regiment or garrison, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 752. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 35th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to be retained by the commanding officer. Unserviceable articles of dress, clothing, &c., will be sent with the inventories. When a general sale at auction or vendue appears to be necessary, it will be the duty of his immediate commander to appoint a suitable officer to attend the same, to make a report of the sale, and to forward the account of sales, with the proceeds, to the commanding officer of the company to which the soldier belonged, a receipt to be taken for the same. In delivering the effects, dress, and money, to whom he was last paid, and of such other effects in his possession at the time of his decease; each to part must be noted on the last muster roll of the company on which the deceased was borne. Each inventory will be endorsed, "Inventory of the effects of ——— ——— late of company —, ——— Regiment of ———, who died at ———, the ——— day of ———, 186-." Losses and gains of the effects, if any, will be reported.

PAR. 753. Should the effects of a deceased non-commissioned officer or soldier be claimed by persons who may present other letters of administration, than those upon which a settlement has been made with the Department, a new account will be rendered, and the balance, if any, will be paid to the representatives of the estate, according to the laws of the State in which the deceased resided. All such cases will be reported to the Commissary General of Subsistence, and the Second Auditor of the Treasury, for their information.

PAR. 754. In all cases of sales by the Quartermaster, a duplicate account of sales, or account of the proceeds, will be rendered to the commanding officer of the post and the proceeds deposited with the Treasurer of the United States, and duly credited to the account of the deceased soldier.

PAR. 755. In all cases of sales by the Quartermaster, a duplicate account of sales, or account of the proceeds, will be rendered to the commanding officer of the post and the proceeds deposited with the Treasurer of the United States, and duly credited to the account of the deceased soldier.

NOTE 1.—The effects in all cases, when called for, should be forwarded to the legal representative, without further application, from the Adjutant General. When the effects are turned over to the Quartermaster, receipts should be taken for the same, and forwarded to the Adjutant General, together with the inventories, as soon as practicable. Letters, papers, &c., found among the effects, should be attached to the inventories. Losses, by casualties, should be reported, with a letter of transmittal, addressed to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate, when the effects are turned over to the Quartermaster for any funds turned over to him, one copy should be forwarded to the Adjutant General and one retained by the officer.

FINAL STATEMENT

OF

_____ Co. _____ Regt of _____

VOLUNTEERS.

Died June 21/64

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment indorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to compose a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Lamidess must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
